

Brainstorm poster

- car
- city background
- not too much writing
- our rc-cars lined up in "high speed"
- no traffic
- traffic stop sign
- ring of Antwerp without traffic and only rc-cars
- intentional incorrect information to gain attention
- Traffic jams to show what we can solve

What to write?

Something that will say we solved the problem on the E19 which many people face and can relate to. That way we will gain their attention and will be able to tell them what our idea is all about.
